Panasonic NCR18650B Lithium Rechargeable Batteries 3.7V 3400mah Green

Basic Information

- Brand Name:
- Certification: UN38,3/CNAS/KC
- Model Number: 18650
- Minimum Order Quantity:
- Payment Terms: T/T, Western Union

Product Specification

Highlight:	NCR18650B Lithium Rechargeable Batt	
Discharging Temperature:	-20°C~75°C	
 Charging Termperature: 0°C~50°C 		
Voltage:	3.7v~ 4.2v	
• Warranty:	1years	
• Type:	Flat Top	
• Size:	18.3*65.16mm	
Capacity:	3400mAh	
• Weight:	50g	

NCR18650B Lithium Rechargeable Batteries, Lithium Rechargeable Batteries 3.7V

Panasonic NCR18650B 3400mah lithium batteries for 18650B rechargeable battery green with 3.7v with very duiable quality

Product Description:

- Do-not over-discharge/overcharge - - -

- Recharge empty batteries (resting voltage~3.6V) as soon as possible. Leaving Li-Ion batteries in discharged state will incur irreversible damage (capacity / cycle loss)- Do not short circuit (will release tremendous current)- Keep it away from fire.

Advantages:

- 1, High capacity
- 2, Excellent safety performance
- 3, Excellent storage performance and low self-discharge rate
- 4,Safe Performance
- 5, short circuit test passed
- 6,150C thermal shock test passed
- 7,1.2m drop test passes
- 8,Cycle life: 500 times
- 9,Charging temperature: 0 to 45 degree Celsius
- 10,Discharging temperature: -20 to 60 degree Celsius 11,Storage temperature: -20 to 45 degree Celsius
- 12,PCB/PCM and battery pack available

Support and Services:

18650 Battery Technical Support and Service

We offer comprehensive technical support and service for our 18650 Batteries. Our team of knowledgeable professionals are available to answer your questions and provide you with the technical information you need. From installation and troubleshooting to product performance and maintenance, we are here to help.

Company Introduction

Company Introduction

ShenZhen Enook Technology Co., Ltd company is professional manufacturer and supplier of lithium energy solutions, E-bike battery pack, which focus on manufacturing and designing of lithium cells and battery packs

Quality first is our principle,Satisfying all our customers is our tenet,win-win business is our aim.Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss each detailed requirements from customer and ensure full customer satisfaction.

In addition, we have obtained certificates. MSDS UN38.3 MSDS,ROHS,UL.ect. All our products keep selling wellnot only around China, but also inUSA, Philippines, Germany, England, Australia, Russia, France and other Europen and Asia countries

Fast delivery is one of our advantage, selecting a current products from catalogue, or customized products, 3⁻⁵ 5 days is the normal time to prepare for the goods, OEM & ODM orders can be acceptable.

Quality is our life, price is our core competence, please don't hesitate to contact us if you have any requirement, we'll provide our best service to you.

Has passed CE certification and ROSH certification, excellent quality the company has obtained a number of patented technologies.

OUR CERTIFICATES GIVE YOU RELIABLE

Packing and Shipping:

Packaging and Shipping

18650 batteries must be packaged with extreme care. Each battery must be individually wrapped in an insulated material designed to prevent shorts. The entire package must be placed in a static-resistant bag or box before being shipped. Batteries must never be shipped in bulk or loose without proper packaging.

Batteries should always be shipped via a tracked courier such as FedEx or UPS. The courier should be notified of the battery shipment and the package must be labeled as containing hazardous materials. The package should also be marked with the proper shipping class, such as Class 8, for lithium batteries.

Q1: When are you available?

- A1: 24 hours online every day
- Q3: How is the quality of the products?
- A3: 1. Always provide the premium authentic products, never fake
- 2. Only provide A Grade cells
- Q4: Do you provide the OEM&ODM service?
- A4: Yes, of course. We will try our best to meet our customers' requestment
- Q5: What's the lead time?
- A5: 1.Sample orders: 1-3 working days
