### Product Description:

portable power station - Product Overview

Our portable power station is the perfect solution for storing energy in your home. With the increasing demand for renewable energy sources, our product is designed to help you save money and reduce your carbon footprint. Whether you are looking to power your home during a power outage, or simply want to store energy for later use, our Energy Storage Battery is the perfect choice.

OEM/ODM

Our company offers OEM/ODM services for our Energy Storage Battery, allowing you to customize the product to fit your specific needs. We understand that every home is different and we are committed to providing you with a tailored solution.

Battery Type: LiFePO4

Our portable power station uses advanced LiFePO4 battery technology, which is known for its long lifespan, high energy density, and safety. This type of battery is also more environmentally friendly compared to other options, making it the ideal choice for your home.

System Type: Portable

Our portable power station is designed to be portable, allowing you to easily move it around your home or take it with you on the go. This feature makes it perfect for camping trips, outdoor events, or any situation where you need a reliable source of energy.

Color: Silver

Our portable power station comes in a sleek silver color, adding a modern and stylish touch to your home. The silver finish also makes it easy to match with any home décor.

Our portable power station has an output power , providing you with enough energy to power your home for extended periods of time.

This makes it a great backup power source during emergencies or a reliable source of energy for everyday use.

With our portable power station , you can say goodbye to high electricity bills and hello to a more sustainable and cost-effective energy solution. Invest in our portable power station today and take the first step towards a greener future for your home.

## Applications:

enook portable power station

enook portable power station is a perfect solution for storing energy at home. It is a portable and efficient battery system that provides power backup for your household. With its high-quality LiFePO4 battery, enook portable power station is designed to provide safe and long-lasting energy storage for your home.

Product Attributes

**Brand Name:** enook

**Model Number:** portable power station

**Place of Origin:** China

**OEM/ODM:** Accepted

**System Type:** Portable

**Battery Type:** LiFePO4

**Color:** Silver

Application Scenarios

enook portable power station is suitable for a variety of applications in your home, including:

## Solar Energy Storage

With enook portable power station, you can store the energy generated by your solar panels during the day and use it at night. This allows you to maximize the use of your solar energy, reduce your electricity bills, and become more energy independent.

## Home Energy Storage

enook portable power station can also be used as a backup power source for your home. In case of a power outage, the battery will automatically switch on and provide electricity for your essential appliances, ensuring that you and your family are not left in the dark.

## Power Backup

Whether you live in an area prone to power outages or you simply want to have a reliable backup power source, enook Energy Storage Battery is the perfect choice. It provides a stable and uninterrupted power supply, allowing you to continue your daily activities without any interruption.

## Product Features

### Portable Design

enook Energy Storage Battery is designed to be portable, making it easy to move and install in different locations in your home. This also makes it convenient to take with you on camping trips or other outdoor activities where you may need a reliable power source.

### High Efficiency

Equipped with a LiFePO4 battery, enook Energy Storage Battery has a high energy conversion rate, allowing it to store and release energy efficiently. This means you can get the most out of your battery and save on electricity costs.

### Safe and Durable

Safety is a top priority for enook, which is why our Energy Storage Battery is equipped with advanced safety features to prevent overcharging, overheating, and other potential hazards. The LiFePO4 battery is also known for its durability, ensuring a long lifespan for your battery.

### Conclusion

enook Energy Storage Battery is the perfect solution for all your home energy storage needs. With its portable design, high efficiency, and advanced safety features, it is a reliable and cost-effective choice for storing and using energy at home. Choose enook and experience the benefits of our portable power station today!

## 300W PORTABLE POWER STATION

ENOOK®

### Features:

- 1.LiFePO4 lithium battery 2000 cycling times, intelligent BMS system, safe and long service life.
- 2.Multiple output: AC 110V/220V 300W output;5V USB-A output;5V,9V,12V USB-C output;12V cigarette lighter output;12V DC5521 output;12V 3W LED lighting.
3. 3 charging ways: AC to DC adaptor charging; PV charging; Car charging.
- 4.Perfect cooling: In-built intelligent cooling fan and side ventilation hole design.
- 5.LCD display screen, real time monitoring the working state of the product.
6. Applicable to indoor emergency power supply, outdoor camping, fishing etc. scenarios.
- 7.Aluminum shell, light and compact, designed with movable handle, easy to carry.
- 8.CE,FCC,UN38.3+MSDS etc. certificated.

### Specification

300W Portable Power Station				
Model	LA300W			
<b>General</b>				
Battery capacity	256WH			
Cell type	LiFePO4			
Dimension(L*W*H)	9.84*5.51*6.69in/250*140*170mm			
Discharge temperature	-4-113°F/-20-45°C			
Working humidity	10-90%			
<b>AC Output</b>				
Rated power	300W			
Waveform	Pure sine wave			
Voltage	110VAC/120VAC		220-240VAC	
<b>DC Output</b>				
Cigarette lighter port*1	Voltage	12V		
	Current	5A default; 10A,15A optional		
DC5521*3	Voltage	12VDC		
	Current	5A each,total 10A Max.		
USB-A*2	Voltage	5VDC		
	Current	2.4A		
USB-C*1	Voltage	5V	9V	12V
	Current	3A	2A	1.5A
LED lamp	Voltage	12V		
	Power	3W		
<b>DC Input(Anderson charging port)</b>				
AC adaptor charging	Voltage	14.6V		
	Current	10A		
PV charging	Voltage	14.6V-25V		
	Power	270W max		

## Customization:

Customized Service for enook portable power station

Brand Name: enook

Model Number: portable power station

Place of Origin: China  
 System Type: Portable  
 Color: Silver

## CERTIFICATES

### OUR CERTIFICATES GIVE YOU RELIABLE SUPPORT FOR YOUR ORDERS

### Packing and Shipping:

Packaging and Shipping for portable power station

The portable power station is carefully packaged and shipped to ensure safe delivery to our customers. Here is a breakdown of our packaging and shipping process:

**Packaging:**

Each battery is individually wrapped in protective material to prevent any damage during transportation.

The batteries are then placed in a sturdy cardboard box with additional cushioning material to provide extra protection.

The box is sealed with high-quality tape to keep the batteries secure.

The package is labeled with the product name, model number, and handling instructions for easy identification and handling.

Shipping:

We offer shipping to various locations worldwide. Our shipping partners are carefully selected to ensure prompt and safe delivery of our products. Here are the shipping options we provide:

Standard shipping: This option delivers the product within 5-7 business days.

Expedited shipping: For urgent orders, we offer expedited shipping which delivers the product within 2-3 business days. Additional charges may apply for this option.

International shipping: We ship to most countries around the world. Please contact us for specific shipping rates and delivery times to your location.

Customers will receive a tracking number once their order has been shipped, which can be used to track the status of their delivery.

We take great care in packaging and shipping our Home Energy Storage Battery to ensure it arrives at your doorstep in perfect condition. If you have any questions or concerns about our packaging and shipping process, please don't hesitate to contact us.
