

Top Grade A 3.2V 304Ah Prismatic Lifepo4 Battery Electric Rechargeable Battery

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: CE ROHS FCC UN38 .3 MSDS
- Model Number: 3.2V Lifepo4 Lithium Ion Battery
- Minimum Order Quantity: 4
- Supply Ability: 10000

Product Specification

- OEM/ODM: Yes(Accepted)
- Shape: Prismatic Pack
- Standard Charge-discharge Rate: 0.5C(P)
- Charging Temperature: 0 ~65
- Feature: Deep Cycle Lifepo4 Battery Cell
- Grade: Grade A & Brand New With Original QR Code
- Voltage: 3.2V
- Size: 118.5(H)*160(W)*50.1(T)
- Highlight: Electric Rechargeable Lifepo4 Battery , 3.2V 304Ah Prismatic Lifepo4 Battery , Lifepo4 Electric Rechargeable Battery

Product Description

Product Description:

With a storage temperature range of 0 ~35 , this battery can withstand different environments and maintain optimal performance. It also comes in an OEM package, allowing for customized labeling and branding to suit your specific needs and preferences.

Our LifePo4 Lithium Ion Battery is made with 100% NEW A-grade Cells, ensuring consistent and long-lasting power. It has a voltage of 3.2V, making it suitable for use in different electronic devices and equipment.

In addition, this battery pack is available in a 60V battery pack configuration, providing ample power for high-performance devices and equipment.

This battery pack is Grade A & Brand New With Original QR Code, ensuring that you receive a product that meets high-quality standards and is authentic.

Whether you need a reliable power source for your industrial equipment, electric vehicle, or home appliances, our LifePo4 Lithium Ion Battery is a great option. With its customizable packaging, A-grade cells, and high voltage, you can trust that this battery pack will deliver consistent performance and power.

Product Parameters

Model	LF280K	Dimension (L*W*H)	174*208*72MM
Nominal Voltage	3.2V	Nominal Capacity	280AH
Impedance	≤0.25mΩ	Cell Weight	5.42Kg
Discharge Temperature	-20~55°C	Cycle Life	8000 Times
Discharge Cut-off Voltage	2.5V	Charging Cut-off Voltage	3.65V

Features:

Product Name: LifePo4 Lithium Ion Battery

OEM/ODM: Yes(Accepted)

Weight: 1920±100G

Size: 118.5(H)*160(W)*50.1(T)

Package: OEM

Standard Charge-discharge rate: 0.5C(P)

100% NEW A-grade Cells

60v battery pack

Hailong electric bike battery

Technical Parameters:

Brand Name:	EVE
Battery Type:	3.2V 280Ah Lifepo4 Battery
Capacity:	50ah, 105ah, 173ah, 200ah, 280ah, 304ah
Weight:	1920±100G
Charging Temperature:	0 ~65
Discharging Temperature:	-35 ~65
Storage Temperature:	0 ~35
Feature:	Deep Cycle Lifepo4 Battery Cell
OEM/ODM:	Yes(Accepted)
Package:	OEM

Additionally, we offer customized solutions such as 60v 15Ah, 20ah, 30ah, 40ah, 45ah, 50ah, and 60ah removable battery for e-bikes.

Applications:

One of the main applications for this battery is as a lithium E-bike battery for electric bike/mountain bike/motorcycle/bicycle. Its 100% NEW A-grade Cells ensure maximum power and longevity for your electric transportation needs. Available in 60v 15Ah 20ah 30ah 40ah 45ah 50ah 60ah options, it can provide the power necessary for longer rides and more demanding terrain. Other potential uses for the enook Lifepo4 Lithium Ion Battery include energy storage, UPS, RV, communication, golf cart, and more. Its Grade A & Brand New With Original QR Code guarantee ensures that you are getting a high-quality, reliable product that will meet your needs for years to come. With a weight of 1920±100G, it is easy to transport and install as needed. The package is OEM, allowing for customization to fit your specific requirements.

Customization:

Our batteries are suitable for a variety of applications, including energy storage, UPS, RV, communication, golf cart, e-bike, and more. With a discharging temperature range of -35 ~65 , charging temperature range of 0 ~65 , and storage temperature range of 0 ~35 , our batteries can withstand various weather conditions.

Our enook 3.2V Lifepo4 Lithium Ion Battery is perfect for use as a lithium E-bike battery for electric bike/mountain bike/motorcycle/bicycle. It is also a removable battery for e-bike, making it easy to replace or charge on the go.

Support and Services:

Our LifePo4 Lithium Ion Battery product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experts is available to answer any questions and provide guidance on proper installation, usage, and maintenance of the battery.

In addition, we offer troubleshooting and diagnostic services to identify any issues and provide solutions to ensure the battery is functioning properly. Our team can assist with firmware updates and software integration to optimize performance and compatibility with your system.

We also offer repair and replacement services for any defective batteries, as well as recycling and disposal services for old or damaged batteries to ensure proper disposal and environmental sustainability.
