

## 51.2V/72V Durable Power Lithium Ion Golf Cart Battery With Smart BMS

### Basic Information

- Place of Origin: China
- Brand Name: enook
- Certification: CE ROHS FCC UN38 .3 MSDS
- Model Number: Golf Cart Battery

### Product Specification

- Cut-Off Voltage: 40V
- Cycle Life: >4000 Cycles
- Voltage/Capacity: 36V、48V、51.2V、72V
- Advantages: Ultra Safe With Smart BMS
- Size: 472\*334\*243mm
- Availability: In Stock
- Peak Discharge Current: 300A
- Environmentally Friendly: Yes
- Highlight: 51.2V Lithium Ion Golf Cart Battery ,  
72V Lithium Ion Golf Cart Battery ,  
Golf Cart Battery With Smart BMS

**Product Description:**

This battery is built to last, with a warranty of 10 years. You can trust that you are making a long-term investment in your golf cart's battery life when you choose this product. Not only is it reliable, but it is also environmentally friendly. It is designed to be both energy-efficient and to reduce your carbon footprint.

The Lithium Ion Golf Cart Battery is available in a variety of voltage/capacity options, including 36V, 48V, 51.2V, and 72V. This means that you can choose the battery that best suits your needs and budget. The 72V battery pack is particularly impressive, delivering exceptional power and reliability for even the most demanding golf courses.

Despite its impressive performance, the Lithium Ion Golf Cart Battery is surprisingly lightweight. It weighs between approximately 4.0~40.0kg, depending on the voltage/capacity you choose. This makes it easy to install in your golf cart and ensures that it won't weigh you down on the course.

In summary, the Lithium Ion Golf Cart Battery is a top-performing, reliable, and environmentally-friendly product that is available in a range of voltage/capacity options to suit your needs. With its impressive peak discharge current, long warranty, and lightweight design, it is the perfect choice for any golf cart owner looking to upgrade their battery life.

## 48V 105AH

### LiFePO4 Golf Cart Battery

#### Features:

Product Name: Lithium Ion Golf Cart Battery

Storage Temperature: 0-45

Battery Type: Lithium Iron Phosphate

Availability: In Stock

Continuous Discharge Current: 150A

Application: Golf Carts

## 2.8-INCH COLOR TOUCHSCREEN DISPLAY

Real-time view of  
battery information

# PRODUCT DETAILS

Easy to carry with handles

Help to vent internal gases

Intelligent one-button control ON/OFF

Metal material is more sturdy

## Applications:

The enook Golf Cart Battery has an impressive cycle life of over 4000 cycles, ensuring long-term use for golfers and golf courses alike. The battery is available in customized sizes, making it suitable for a variety of golf carts.

This environmentally friendly battery is lightweight, weighing approximately 4.0~40.0kg, depending on the size of the battery pack. The battery pack operates at 72v, providing a reliable power source for golf carts.

Whether you're a professional golfer or a casual player, the enook Golf Cart Battery is the perfect solution for all your golf cart power needs. As an OEM/ODM product, this battery can be customized to fit your specific requirements.

Use the enook Golf Cart Battery for golf tournaments, driving ranges, and other golf course applications. The battery is easy to install and maintain, providing a hassle-free experience for golf course staff.

Invest in the enook Golf Cart Battery for a reliable, environmentally friendly, and customizable power source for your golf cart.

# 3 PAGES of monitoring modes

## PAGE 1

Real-time display of battery current, voltage, temperature, etc.

## PAGE 2

Controllable charge and discharge on and off modes.

## PAGE 3

Display of voltage difference of the internal battery cells.

## Support and Services:

The Lithium Ion Golf Cart Battery product comes with comprehensive technical support and services to ensure optimal performance and longevity of the battery. Our team of experts is available to provide assistance with installation, troubleshooting, and maintenance of the battery. We also offer regular firmware updates to keep the battery up-to-date with the latest technology and features. In addition, we provide a warranty for the product and offer repair and replacement services as needed. With our technical support and services, you can have peace of mind knowing that your Lithium Ion Golf Cart Battery is in good hands.
