Basic Information

- Brand Name: enook
- Certification: CE ROHS FCC UN38 .3 MSDS
- Model Number: portable solar power station
- Minimum Order Quantity: 4

Product Specification

- Output Wave: 1000W Sine Wave
- DC Output: USB-C
- Discharge Temperature: -4-113°F/-20-45°C
- Inverter Type: Pure Sine Wave
- Model: LA1000W
- Keywords: Outdoor Portable Emergency Power Station
- Power Source: AC Adaptor, Solar Panel, Other
- Working Humidity: 10-90%
- Highlight: **Outdoor Portable Power Station,
1000W Outdoor Emergency Portable Power
Station
, AC Adaptor 1000W Portable Power Station**

Product Description

Product Description:

The LA1000W Outdoor Portable Emergency Power Station comes equipped with an output wave of 1000W Sine Wave, which ensures that you get a steady and stable power output. This feature is particularly useful when you need to power sensitive electronic devices such as laptops, cameras, and other gadgets.

The LA1000W Outdoor Portable Emergency Power Station has been designed to be compact and lightweight, making it easy to carry around with you on your outdoor adventures. Whether you are camping, hiking, or exploring the great outdoors, the LA1000W is the ideal companion to keep your devices powered up and ready to go.

Whether you are looking for an Outdoor Camping Portable Energy Battery or an Outdoor Portable Emergency Power Station, the LA1000W has got you covered. With its powerful battery and versatile charging options, you can enjoy uninterrupted power no matter where you are.

Features:

Product Name: Portable Power Stations

Battery Type: Lithium-ion

Voltage: AC110~220V

Model: LA1000W

Power Source: AC Adaptor, Solar Panel, Other

DC output: USB-C

AC Adaptor included for charging at home or office

Can be charged in a car using a DC to AC converter (not included)

Compatible with solar panels for outdoor charging

Perfect for outdoor cabinet energy storage

High capacity portable solar power station

Technical Parameters:

Product Name	Portable Power Station
Model	LA1000W
Inverter Type	Pure Sine Wave
DC Output	USB-C
Voltage	AC110~220V
Power Source	AC Adaptor, Solar Panel, Other
Battery	Lifepo4 battery (fast charging)
Working Humidity	10-90%
Discharge Temperature	-4-113°F / -20-45°C
Product Size	9.84*5.51*6.69in / 250*140*170mm
Keywords	Outdoor Portable Emergency Power Station, Pure Sine Wave, Lifepo4 battery (fast charging)

Applications:

The Portable Solar Power Station is equipped with a Pure Sine Wave Inverter, which ensures a stable and reliable output. The DC output features a USB-C port, which provides fast charging for your devices. The Solar Power Station also features a Type C, Flashlight, RV Port, and Cigar Lighter, making it a versatile and practical product for your outdoor activities.

The Portable Solar Power Station has been certified by CE ROHS FCC UN38.3 MSDS, ensuring that it meets the highest safety standards. The minimum order quantity is 4, making it easy to purchase multiple units for your camping or outdoor activities. The voltage range is AC110~220V, which is suitable for a wide range of devices and appliances.

The Portable Solar Power Station is ideal for a variety of different scenarios and occasions. It is perfect for camping, hiking, and other outdoor activities where access to electricity is limited. The Solar Power Station can also be used as a backup power source for your home or office, providing reliable power during power outages or emergencies.

In conclusion, enook's Portable Solar Power Station is a versatile and practical product that is perfect for a variety of different scenarios and occasions. With its compact size, reliable output, and multiple features, it is the perfect Outdoor Camping Portable Energy Battery for your outdoor activities. Purchase yours today!

Customization:

Our Portable Power Station is certified with CE, ROHS, FCC, UN38.3, and MSDS, ensuring the highest quality and safety standards. It

can operate in a wide range of temperatures, from -4-113°F/-20-45°C. The minimum order quantity is 4 units, and we offer product customization services to meet your specific requirements.

Packing and Shipping:

Product Packaging:

1 Portable Power Station

1 AC Wall Charger

1 Car Charger

1 User Manual

Shipping:

Ships within 1-2 business days

Free standard shipping within the United States

International shipping available for an additional fee
